- Integrating reports using DevExpress and .repx files.
- Working in a team of 13-15 members and coordinating team members of different regions like USA.

EDUCATION

Bachelor of Computer Science   June 2022
Shivaji University, Kolhapur   *Karad - Maharashtra, India*
Higher Secondary Education (Science - PCM)   March 2019
Maharashtra Board, India   *Aundh - Maharashtra, India*

ACHIEVEMENTS

- Received praises and appreciation from both India and US teams for outstanding contributions
- Nominated for Civica Awards as an Outstanding Individual Contributor
- Recognized for exceptional problem-solving skills and technical expertise in delivering high-quality software solutions

CERTIFICATIONS

- Microsoft Certified: Azure Fundamental
- SQL and Relational Databases 101 Certification

SOFT SKILLS

- Strong problem-solving and analytical thinking
- Effective communication and collaboration
- Leadership and mentorship abilities
- Agile and Scrum methodologies expertise
